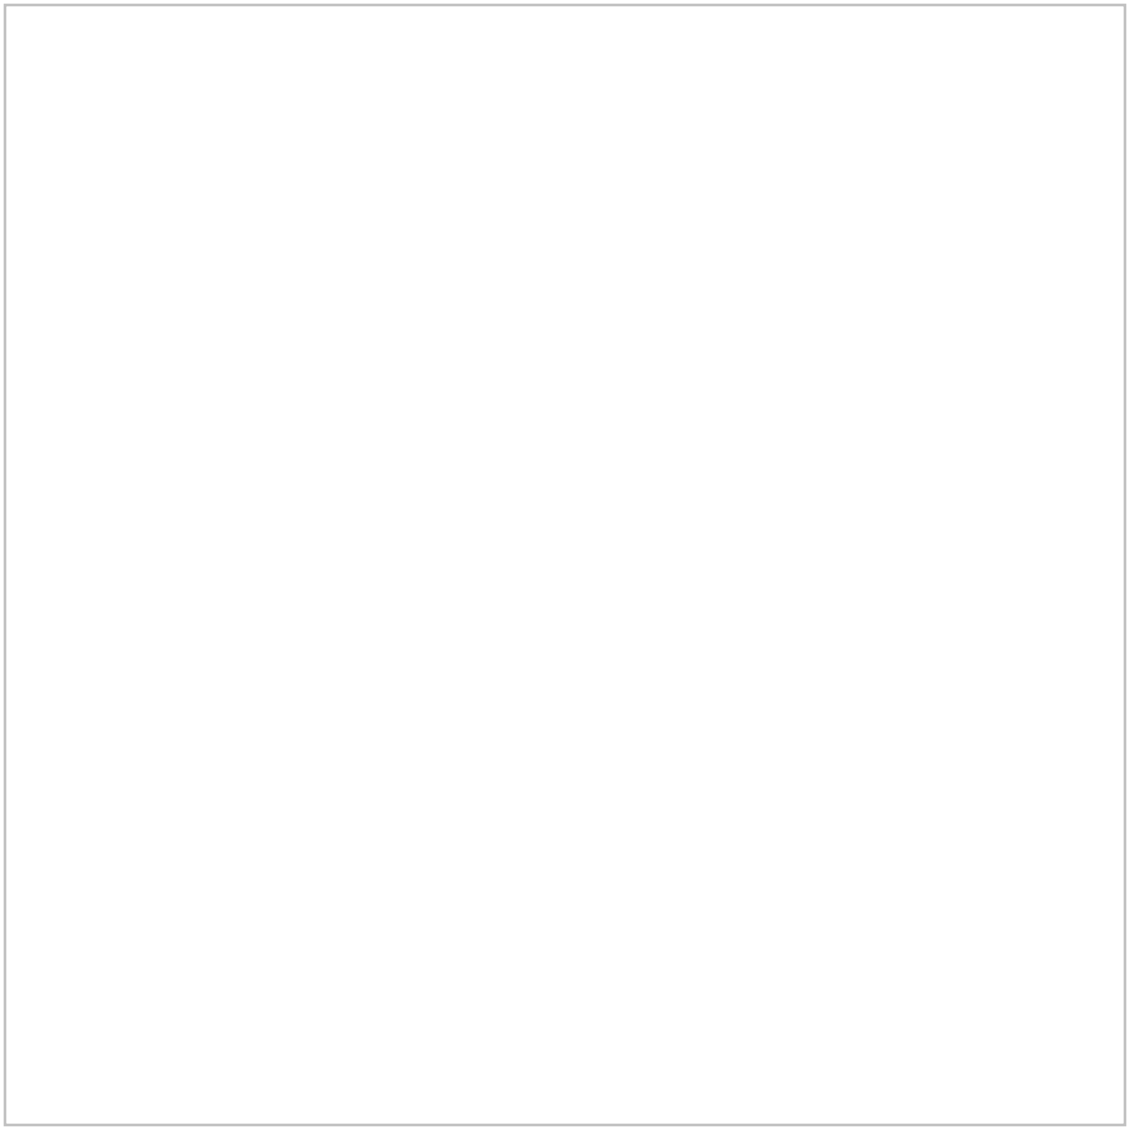
Welcome to your quarterly recap of all things Flock Safety. Read on for the latest product updates, educational resources, and this year's annual #Solved Awards winners.

Get From "Shots Fired" to a Hot Tag Before Arriving on the Scene



Unlock the power of gunshot detection technology with Flock Safety Raven® and revolutionize your response to shooting incidents. Combining Raven with your Flock Safety Falcon® ALPR lets you virtually "string the tape" around the shooting scene and instantly obtain critical information to identify suspect vehicles in real-time.

Discover how you can develop a comprehensive strategy to fight gun violence in your city.

Partner with Retailers to Prevent and Solve Crime

Retailers use Flock Safety Falcon® ALPR cameras to deter crime, alert security of threats, and work with local law enforcement to clear more cases.

- Learn how the Columbia County Sheriff's Office utilized the Lowe's loss prevention team's Flock Safety cameras to identify a suspect accused of stealing over $5,500

worth of merchandise.
- Read about why Simon Property Group is installing Flock Safety cameras at the Greenwood Park Mall and how they collaborate with local law enforcement to ensure success.

Expand your ALPR camera network with the assistance of your local business community. Our dedicated commercial team can help!
